ARE HOSTING A

PUBLIC SAFETY CONCERNS –
SECOND COMMUNITY MEETING

NOVEMBER 10, 2016

6:30 PM

PUTNEY FIRE STATION

Recently, the Town was faced with making an important and difficult decision regarding our policing contract. The Select Board and the Public Safety Committee held several meetings and ultimately decided to sign a six month contract with the Windham County Sheriff's Department for 20 hours a week of police coverage. We are currently exploring options, gathering data and talking to other towns. This is the second of two Community meetings we will be having. We look forward to hearing from you!! If you have any input, questions or suggestions prior to the meeting please contact Cynthia Stoddard, Putney Town Manager at (802) 387-5862 x11.
