**Data sources:**

- Building locations are extracted from the VGIS data layer ESITE, captured using Global Positioning System technology for the Vermont Enhanced 9-1-1 project. Data are current to 2014.

- Parcel lines are from GIS data developed by Cartographic Technologies, Inc. (CTI), Dummerston, Vt., and are current to 2013. These data are based upon a previous set of parcel maps created at a scale of 1:5000.

- Conservation lands were identified by the Putney Planning Commission, and from the UVM Conserved Lands database. Boundaries are from Putney's GIS tax map data.

- Parcels enrolled in Use Value Appraisal are from data developed by Windham Regional Commission using information from the Vt. Department of Taxes, the Windham County Forester, and UVA management plans.
